At the End of a Rainbow

The faith of ancient crusaders has led us to the quest of a knight in days of yore. Early in our lives we begin our search for the great treasure of the human mind, realizing that each year brings us closer to that splendid moment. At the end of a rainbow we will find our reward—our day of graduation. By receiving our diploma we will pledge to use it as a building stone in our life. We will pledge also to share the experience and knowledge that we will gain in these years of learning with all mankind, thus making this a better world in which to live.

Each time we see a rainbow let us recall those golden moments at Pulaski High School and remember that even after we receive our diploma our quest of achievement is not yet over. We must see the challenge of the future and the future that this challenge holds for us as graduates having found the End of a Rainbow.

Mrs. Margaret Perdue

Dedication

After the shower of knowledge, many reflections of guidance give rise to the grandeur of the rainbow of success and true happiness. We, the Oriole Staff of 1962, wish to return a segment of this joy that has been so generously shared with us to one of the most outstanding people we know.

Her beams are shed in many ways; her gifts to us are countless. As an English teacher she was considered irreplaceable. While in her present profession she has earned the highest degree of esteem.

A graduate of William and Mary College, she holds a Bachelor of Arts degree in English. She has also added to her store of learning with extra courses in science which she has taken at Radford College, and courses at the University of North Carolina Extension and the University of Virginia Extension. In fifteen years at Pulaski High School as a teacher, a librarian, a sponsor, and as a friend, she has shown many the way to the treasure at the end of the rainbow.

In this her twenty-fourth year of teaching, we should like to express our most sincere gratitude for the help which she has extended to us in such limitless ways. Thus it is with great admiration and even greater joy that we dedicate this year book to

MRS. MARGARET PERDUE

Special Recognition

Reflections of guidance radiate upon us from many sources. The Oriole Staff realizes this, and with such a realization we wish to pay tribute to another woman in Pulaski who has meant much to the youth here.

She has served young people in various ways and in many different places. During World War I she worked in an orphanage in France, lending light to many less fortunate souls there. She has worked in the Pulaski County Schools and has served her community in unnumbered ways.

Upon receipt of her Library degree from the University of North Carolina, she helped develop our library system in Pulaski. Since that time she has shown many treasures to us through books and through experiences of various travels that she has shared with us.

Now, as a long deserved thank-you, we the Oriole Staff of 1962 wish to recognize

MRS. GRACE CARNAHAN

A friendly smile brightens your trip to the library.

One of the many magic moments of this year was Homecoming.

The senior class of 1962 approaches another magic moment—graduation.

Who could forget those Pep Rallies as we cheered our team to victory.

Reverence shown during our Christmas assembly.

Our ballgames are enjoyed by the young and younger as well.

Will they ever finish those chemistry experiments?

Happy faces certainly reflect that old school spirit.

We entertained Pulaski with the Senior Play.

Our busy annual staff!

Guidance was given us by Mr. Fulp and Mrs. Sanders.

This is just a hardworking mathematics class.

Who won that hockey game in the girls' gymnasium class?

Oh! The fun we had at our prom.

Rah! Rah! For our cheerleaders.

Jimmy Warden and Betty Glenn earned those prizes at the Kiddie Dance.

Miss Pulaski High School contestants take a break.

Message to Students

This is my fourth message in your annual to the students. There is always the temptation to strain for something new to say, and to steer clear of what has been said before. It must be remembered, however, that the eternal truths never change and that they need to be repeated again and again.

Our main purpose in being here is to lead you to be a better person tomorrow than you are today. We do this by constantly holding before you a challenge. In the academic area, the challenge is to develop your learning abilities to the fullest. In your associations with other students and teachers, the ideal is to reach the time when each will respect the worth and dignity of the other. And for you as an individual, we hope to lead you to constantly raise the level of your aspirations, and to gain a clearer perspective of life through the development of a sound value system.

As you look through this book, ask yourselves if it reflects your life at school as it is or as it should be.

Words of praise are due the annual staff and sponsors, Miss Palmer and Mrs. Blankenship, for the many hours of work and effort put forth in publishing this yearbook.

Senior Class 1962

Now the senior class of 1962 is able to catch a glance at the end of our rainbow. There awaits that diploma and those new roads into the future for us. Many things—things we shall never forget—have contributed to our quest for this treasure.

Each year has added more and more to our memory, and each year has been another step along that path to the end of our rainbow. In some bewildered way we managed to move from the eighth grade class to the unconfused freshman class. There we remember many activities in which we were able to participate, and the backward view of our sophomore year reveals that we surely started making progress. We felt like a real part of Pulaski High School. Our junior year has added much to our store of memories, too. Stationery sales and proms will always remain in the minds of the class of 1962.

We look back at all the activities in which we have taken part during our senior year: those candles we made and decorated, the banquets we served, the cards we sold, the magazine sales, and that great senior play. These aided our trip to New York—something no one could forget. Our quest for maturity and knowledge has been along a way strewn with many happy memories.

We wish to thank our sponsors who have helped us during our senior year. They are Mrs. Margaret Bushong, Miss Suzanne David, Mr. Elmer Huff, Mrs. Edna Loftus, Mrs. Al Mode, and Mrs. Bessie Totten.

Our greatest wish is that our school has gained as many fond memories of us as we have of her. Our class is anxious to reach this treasure, but never will we forget the journey that led to it.

These scenes above are a few chosen glimpses from those steps we have taken along the path of the senior year.

Our year has been comprised of many experiences: the fun of the Senior play, service in decorating the Christmas tree, study in the classroom, and the plans we are now making for the future. Thus our Senior year draws to a close.

CLASS OFFICERS: Dickie Leftwich, *President;* Mike Hooker, *Vice-president;* Margaret Sue Flippin, *Secretary;* Jimmy Ward, *Treasurer.*

Junior Class

Our junior year is one of the most exciting years in our high school life.

In the Homecoming Events our class float won second place while the Junior Tri-Hi-Y won third place. We were honored to have Ione Leeson and Gary Fox represent us in the Homecoming Court.

The stationery drive was most successful. The purpose of this project is to raise funds to present the Junior-Senior Prom in honor of the Seniors. We placed first in the Christmas Can Drive competition.

Representing us in the Miss P. H. S. Contest were nine lovely girls, one of whom—Mary Agnes Lively—honored us in being chosen Maid of Honor.

Class rings arrived just in time for Christmas. This was a great thrill for each of us.

We will never forget our junior year and we will look forward with great anticipation to being Seniors.

We appreciate the help that our sponsors—Mrs. Kathryn Brockman, Mrs. Billie Farmer, Miss Ellen Palmer, Miss Lola Robinson, Miss Ruth Simpson and Mrs. Janet Young—have given us this year.

Sophomore Class

A year older, wiser, and nearer to being upper classmen!

We discovered that as we move along in school there is more required of us.

We found that we have to utilize more of our time in study, because our success and happiness in later life depend on how we apply ourselves at Pulaski High School.

We had a very good float in the Homecoming Parade and had some great times working on it.

This year we were well represented in the Miss P. H. S. Contest by six attractive girls—Judy Massie, Martha Rice, Charlotte Smith, Susan Tickle, Cynthia Vaughan, and Marie Worrell.

Our sincere appreciation is due our sponsors Miss Emma Gallimore, Mrs. Kathryn Kegley, Mr. Donald Motesheard, Mrs. Lalah H. Newman, Mr. William Puckett, Mr. Charles B. Tickle, and Mrs. Ester Ward.

Freshman Class

As the school bell rang on September 5th, a group of excited students entered into a new phase of hard studying and happy times, much different from past years. This group of students were the Freshman of Pulaski High School. Thus we climbed one more step in finding the end of the rainbow.

We wish to thank our sponsors: Mrs. Nancy Alexander, Mrs. Ruth Bird, Mrs. Elizabeth Blair, Mrs. Eleanor Brinkley, Mr. Robert Cochran, Mrs. Johnsie Faircloth, Mrs. Mary Ann Lemons, Mrs. Ray Meyers, Mrs. Betty Robinson, Mr. Clarence Stroup, and Miss Carol Wolfe for their excellent guidance through this year.

Eighth Grade

We were thrilled and excited to begin our high school days at Pulaski High School and our search for the end of the rainbow. We were lost, but after a few days we felt at home. Changing classes six times a day and seeing six different teachers made our days seem shorter than ever before. We would like to thank the Guidance Department for helping to make our school future a great deal clearer. Even football games seemed more interesting; now we were a part of the school that the players represented. Our class election was exciting with many stirring speeches. Making our float for the Homecoming activities was an experience that none of the workers will forget. It was the first time we had worked together as the eighth grade class on a project. We were proud of our two representatives in the Homecoming activities. We were exceptionally happy also that the eighth grade was represented by a classmate at the Virginia General Assembly.

Our sponsors who have helped us very much are Mrs. Frances Bachant, Miss Laura Dalton, Mrs. Lloyd Burton, Mr. Howard Duncan, Mrs. Verdie Holt, Mrs. Ruth Hotz, Mrs. Mary Lindon, Mrs. Edna Love, Mrs. Juanita Robertson, Mr. Wilbourne Smith, Mr. Kenneth Stallard, and Mr. Walter Unruh.

We can hardly wait for the time when we will become the freshman class and will have taken one more step toward the end of the rainbow.

In Pulaski High School, as in other schools throughout Virginia, the Student Cooperative Association is the organization of the entire student body that allows students a voice in the operation of the school and provides opportunity for students to accept major responsibilities and assume roles of leadership.

The Student Council is composed of 42 home room presidents, the 5 SCA officers, and the SCA Adviser. It is the representative body of the Student Cooperative Association and meets twice a month to study and promote the best interests of the whole school.

The Activities Council, which meets monthly, is composed of the highest elected student officer of any properly sponsored school organization. Its purposes are to coordinate organization activities and to promote better understanding among the groups, but the general operation of each club or class is under the supervision and jurisdiction of the sponsor and the principal.

Margaret Ann Whitley and Alberta Elkins, Pep Club members, view a poster promoting school participation. Before each athletic contest, such as football and basketball games, one of the most outstanding activities of the Pep Club is displaying posters. Another is the establishment of personal contact with students by presenting them with lapel tags creating school spirit. The club has sold victory jackets, and megaphones, and helped to plan pep rallies. Last year, they presented a gift of cash to the Boys' and Girls' Athletic Departments to be used in any way needed.

ALL STATE CHORUS MEMBERS
Seated, Dianne Brockmeyer, Mary Stuart Johnson. *Standing*, Mike Clark, Arby Frost, Roger O'Dell.

Mrs. Myrna Rockwell, Choral Director, and her choral department had a year filled with activities.

The group is divided into a Junior Chorus and a Senior Chorus. The Senior accompanist is Mary Stuart Johnson with Charlotte Smith as assistant accompanist. The Junior accompanist is Jean Buckner with Wanda Cruff as assistant accompanist.

The Chorus won first place with their floats both in the Homecoming and Christmas Parade. During the year they presented six concerts, among them being for the May Day Dance, Baccalaureate Sermon, and Graduation Exercises. One of the highlights of the year was their presentation of the **Messiah.** This event was well attended by local as well as out of town people. A silver offering was taken to be applied on the purchase of new robes.

As members of the chorus we would like to thank Mrs. Rockwell for working with us this past year and bringing us so many enjoyable experiences through music.

Varsity Football

Chills, thrills, and spills, the age old adjectives of football can well be used to describe the big Orioles' football games this year. The Orioles had the best record since 1952, coming through with a 6-won 3-loss 1-tie record and solid hold on third place in the district.

Led by tri-captains, Terry Patterson, Gale Grantham, and Danny Akers the Orioles proved to be a rugged foe for all opponents.

The highlight of the year was the Dublin game. The Orioles went into the game on the short end of the odds and came out on the long end of the score winning 20-13. This win proved to be one of the greatest team efforts in Pulaski sports.

Tri-captain Patterson, running from a halfback position, captured several district records, adding spice to the Oriole season. He, along with center Jack Byrd, was named to the all district team. Patterson also made all-state. The Orioles led the district in offensive rushing.

Coach Rockwell's boys really fooled the experts. Rockwell, and every member of the Oriole squad should be congratulated on the fine job they did. With just three returning lettermen they really came through!

Thus the big Orioles made our pot of gold richer by their fine efforts.

First row, *Left to right:* Donald Ratcliff, Butch Rupe, Kenneth Carrico, Stephen Earhart, Gary Hall, Jackie Ratcliff, Jimmy Warf, Mr. Kenneth Stallard, *Coach.* Second row, *Left to right:* John Hagee, Larry Bishop, Randy Nuckols, Larry Alley, Duval Anderson, Don Newman, Charles Rhett, Bobby Nash, Alfred Pearce, Mr. Harry Loftus, *Coach.* Third row, *Left to right:* Roger Dean, James Goad, Jerry Grimes, Gary Chinault, Ronnie Powers, Archa Vaughan, Phil Pearce.

Crockett, Joe Stephens, Edward Rhett, Clifford Nelson.

Last year under the instruction of Coach Charles Tickle the Oriole golfers walked off with the district trophy.

Tickle's boys ended the season with a 6-2 won-loss record with wins over Blacksburg, Radford, Marion, Andrew Lewis, and Pearisburg twice. They lost once to Radford and once to Blacksburg.

Coach Tickle and all the Oriole golfers deserve every "pat on the back" they get for they took what was termed a minor sport and really put it in the limelight.

This year with at least five hold-overs from last year's squad we look for the Orioles to keep the district trophy right where it is, at Pulaski High School. Good luck, Boys!

First row, *Left to Right:* Jimmy Hickam, Jess Crumbley. Second row, *Left to Right:* David Ratcliff, Bill Walton, Bobby Lemons.

Golf

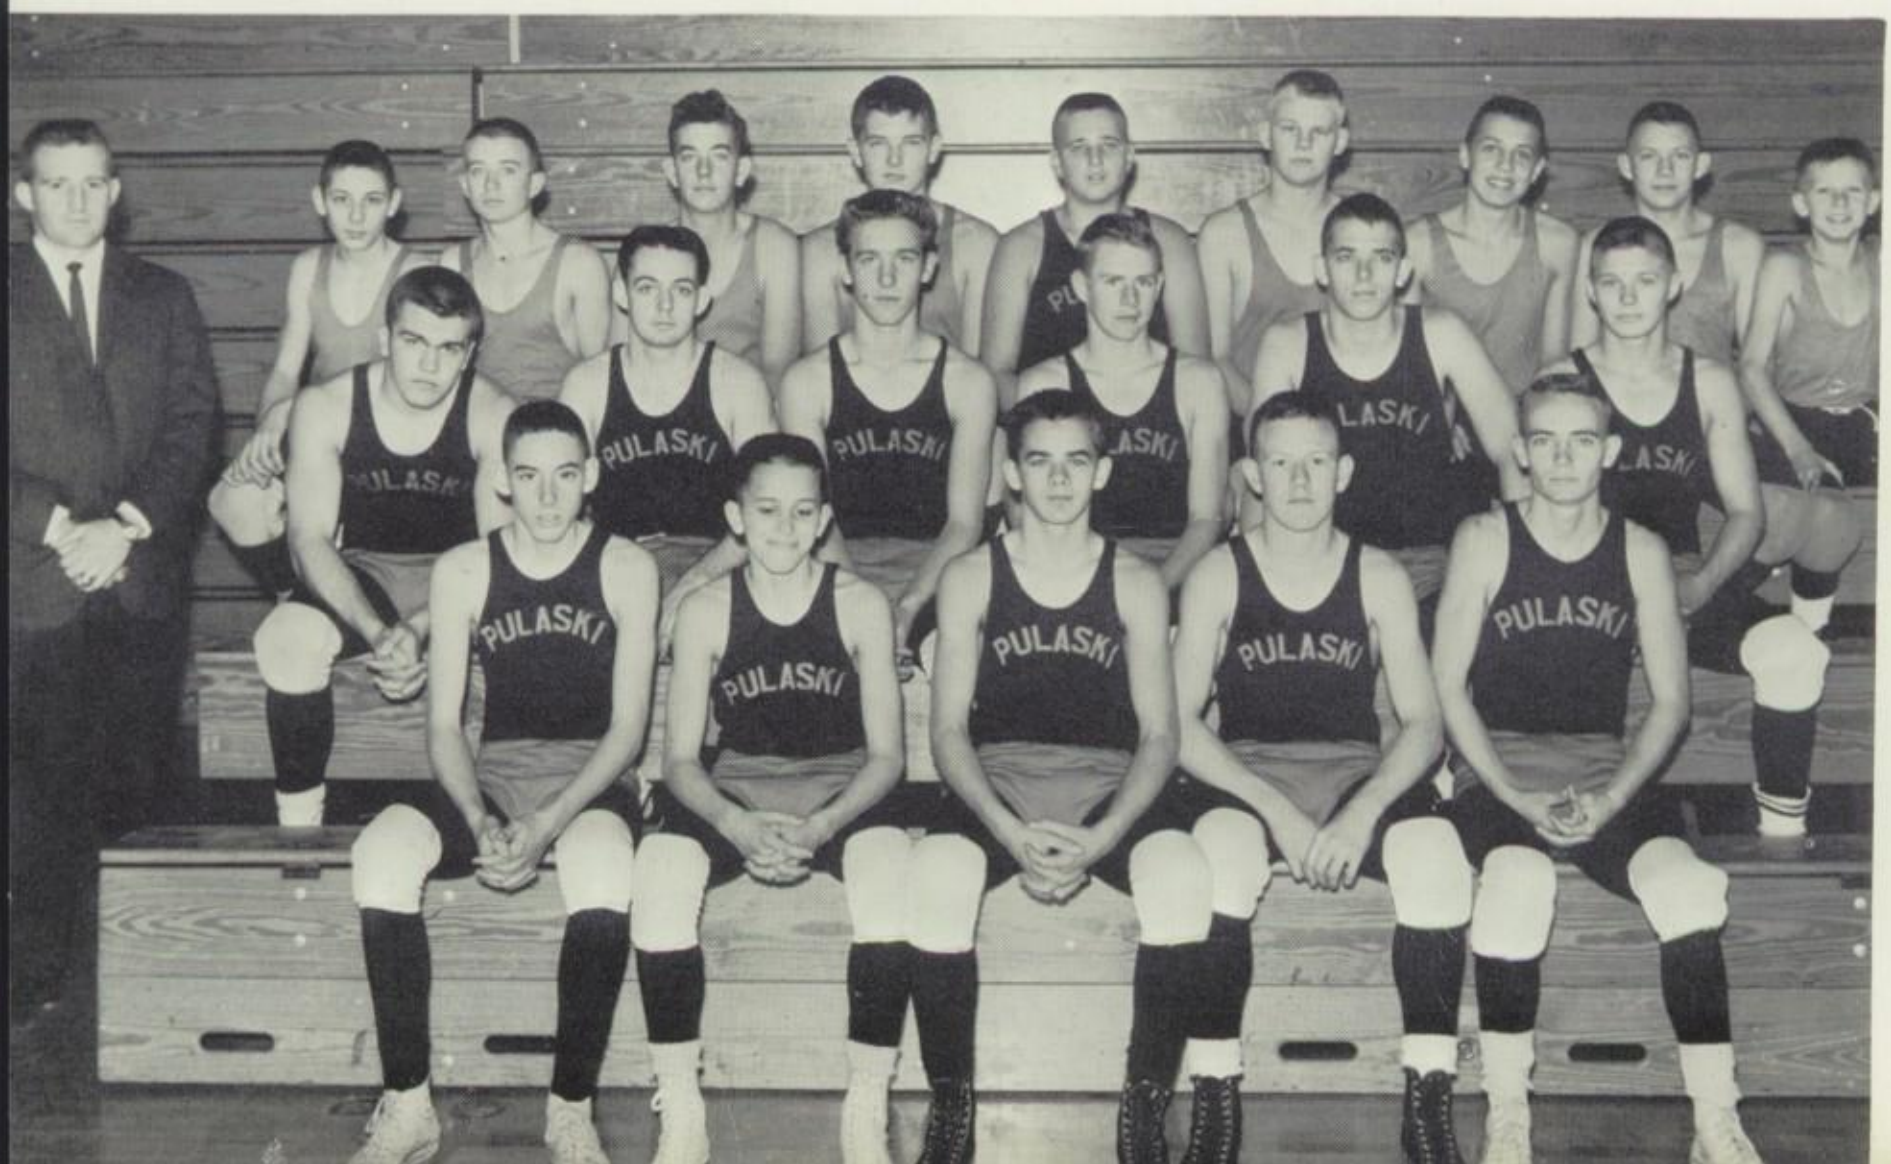
Wrestling

Even though wrestling is only in its third year at Pulaski High School it is a fast rising sport. Last year the Oriole wrestlers didn't win too many matches but still provided lots of action for the fans.

With several returning lettermen and some new faces the wrestlers should have a good team.

The team is led by Coach Jack Duncan, and and tri-captains Clyde Moles, Alfred Pearce, and Mike Jones.

First row, *Left to Right:* Mitchell Warden, Frankie Flippin, Mike Jones, Alfred Pearce, Clyde Moles. Second row, *Left to Right:* Tommy Burke, Carl Harless, James Chrisley, Dean King, Phil Huff, Duval Anderson. Third row, *Left to Right:* Mr. Jack Duncan, Coach; David Garwood; Steve Earhart; Frankie Owens; Bobby Love; Lanky Whitehurst; Archa Vaughan; Jackie Wilson; David Ratcliff; Larry Johnson.



This Was Our Year

As years go by and old memories fade, P.H.S. will never forget the **Oriole** basketball team of 1961-62. Yes, how could anyone forget the team that suffered a humiliating defeat only to bounce back to win the State Tournament and cap the season with a brilliant 22 won - 4 lost record!

The big **Orioles** had the best season ever, finishing the regular season with a 17 won - 3 lost record, and second place in the district. The **Orioles** were also runners-up in the district tournament, earning them the right to participate in the state tournament—and participate they did! In the opening round of the Southern Regional the **Orioles** knocked off Clintwood. Then came an unexpected victory over de-

State Champions

fending state-champion Martinsville, and the **Orioles** had captured first place in this tournament. Next came the big game with Handley of Winchester for the state championship.

Enough can never be said of the fine job Coach Carl Tacy did, as far as we at P.H.S. are concerned, he was basketball's Coach of the Year.

The team's co-captains were Bill Walton and David Hurd. Both boys were named to the all-district first team, and Jimmy Palmer made the second team.

This team, its coaches and managers have helped fill our pot of gold to the very top, and we say "Thank You" for making our rainbow complete.

Varsity Track

The Varsity track team ended last year's sports with a bang. The Orioles' teams just couldn't miss last year, and Coach Ed Rockwell's track squad came out of the District Track Meet holding the trophy. Coach Rockwell can well be proud of the showing his boys made.

With several returning lettermen, Oriole fans can look forward to another fine year, and maybe another trophy. We hope so!

In almost every sport there are found many unsung participants. Among these are the managers. Without the services of these dedicated boys our sports wouldn't be the same.

We thank you, boys, for a job well done!

Win, lose, or d r a w there is a select group that always f e e l s the brunt of the battle.

These, of course, are the coaches.

We at P.H.S. have as fine a coaching staff as one could find anywhere.

These capable m e n have turned out some of the best, if not best, teams in P.H.S. history.

They certainly have added their rich talents to our pot of gold, and t h e i r contributions to our school would be welcomed at the end of any rainbow.

College, perhaps? Wonderful! A job? Wonderful, too, if it's the right one—with opportunities to progress and learn as well as earn. There are many such jobs at C&P, waiting for girls like you. In a telephone job, you not only start with good pay but are specially trained to make more. Raises and advancements are frequent. Surroundings are pleasant—people are friendly—and your work is never dull. Why not make your first job a telephone job—one that can lead to a happy, rewarding career?
